On August 31, USDA released to the media they are extending free meals to all kids through December 2020 or until the money runs out. This will be provided through the Summer meal programs. Here is the link with the information:

<https://www.usda.gov/media/press-releases/2020/08/31/usda-extends-free-meals-kids-through-december-31-2020>

We would like to encourage **all parents who qualify for free and reduced meals, to apply online before October 7, 2020** if you have not already, at the following link: myweber.wsd.net. This will ensure that your children will have the qualified benefit when the USDA benefit runs out in December or before.

Weber School District will be participating through an "Open Restricted" site waiver. Every school will be serving free meals to enrolled students only, for safety and control. This will be available for the months of September, October, November, and December while the funds are available.

This is a special eligibility due to the COVID public health emergency at each school. Each site will be offering the meal pattern that is applicable to the age/grade of each school.
