

# Parent Notification of Child's Progress in Reading

Dear Parent or Guardian,

In compliance with Utah Law, your child was assessed for readiness to perform at grade level in reading using the state required assessment, *DIBELS Next*.

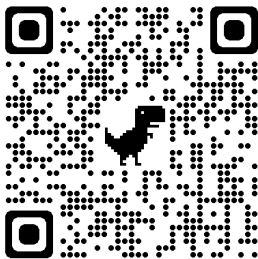

In addition to sharing the growth that your child has made this year in reading, the results of this assessment can help you know the area(s) in which your child may still need additional support. **We encourage you to continue to support your child with their reading progress throughout the summer months.**

Make this summer count for your child by exploring a variety of reading and writing activities daily. **Remember to work on achieving the WSD Superintendent's Summer Reading Challenge by having your child read at least 10 books this summer.** (See QR Code below)

There are many resources available for reading and writing support through the summer. Be sure to visit the **Weber County Library** and enjoy the many resources they have to offer. You may also want to take a look at some online resources as well. **Here are a few that are available:**

## Pioneer Library system

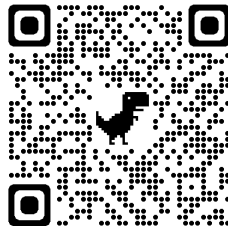

<http://pioneer-library.org/> is an online library full of engaging resources available to all Utah students. The home access login name is: online and the password is: learning

## Sora

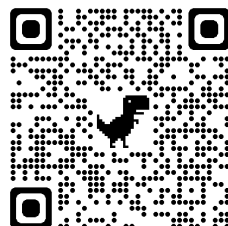

Weber School District  
e-book library

<https://www.overdrive.com/apps/sora/>

## Summer Journaling

Engaging Writing Prompts  
<https://www.journalbuddies.com>

## Superintendent Summer Reading Challenge

<http://wsd.net/departments/education/elementary-education/resources>

## Parent Home Reading Guide

Ideas on how to promote reading at home and questions to ask your child about their reading

## WSD Family Resource page

Many ideas and resources on how to support your child's reading skills

<https://sites.google.com/wsd.net/elementaryela/family-resources>

## Building Readers Parent Manual

One of the most important things parents can do is to help them develop excellent reading skills. Children's ability to learn to read directly affects their performance in school and also how successful they are throughout their lives.
